## A REPORT ON SWATCHH ANITS PROGRAM ORGANISED

30<sup>th</sup> Sept. 2020.

Cleanliness is very important whether it is our home, workplace, or public places. It is one of the very basic needs of a civilized lifestyle. Mahatma Gandhi, the father of our nation gave the mantra “Cleanliness is Godliness” and our “**Honourable Prime Minister Narendra Modi**” launched The **Swatchh Bharat Mission** inspired by Mahatma Gandhi. With the above motto, the department of Mechanical Engineering has organized a SWATCHH ANITS camp. The 2<sup>nd</sup> year B.TECH Mechanical Engineering students were involved in this program along with Mechanical Engineering Faculty. The students and faculty exhibited relentless enthusiasm in cleaning the campus. Prof. T.V.HANUMANTHA RAO Principal, and Prof. B.NAGARAJU, HOD appreciated the second year Mechanical Engg. Students for their involvement in the SWATCHH ANITS program.

## DESCRIPTION

Cleanliness is very important whether it is our home, workplace, or public places. It is one of the very basic needs of a civilized lifestyle. Mahatma Gandhi, the father of our nation gave the mantra "Cleanliness is Godliness" and our Honourable Prime Minister Narendra Modi launched The Swachh Bharat Mission inspired by Mahatma Gandhi. Cleanliness and Hygiene are not only for our personal belongings or our own homes, we need to make sure to keep our surroundings clean.

# A REPORT ON SWATCHH ANITS ORGANISED

On 20<sup>th</sup> March 2021

A program was organized by the NSS unit of the college on 20/03/2021. The main motto of the program was to eradicate the use of plastic. Staff members and students of the department were actively involved in the program. The NSS volunteers have taken an initiative to organize a program of creating plastic free ambience around the campus. The volunteers worked for a span of 2 1/2 hours. The NSS members of Mechanical engineering students participated in this program.

The Department HOD and other senior faculty praised the NSS Co-ordinator Dr. K.SATYA NARAYANA for organizing the eventful program and creating an awareness in the students on the ill effects of single use plastic covers. The department has indeed contributed in creating a plastic free campus and also pledged in transforming the campus to this effect.

## REPORT

### **Covid-19 Masks and Food ingredients distribution in orphanage home at Tallavalasa village Social activity**

As the number of Coronavirus Disease (2019) (COVID-19) cases increase globally, countries are taking more aggressive preventive measures against this pandemic. Transmission routes of Severe Acute Respiratory Syndrome Coronavirus 2 (SARS-CoV-2) include droplet and contact transmissions. There are also evidence of transmission through aerosol generating procedures (AGP) in specific circumstances and settings. Institutionalized populations without mobility and living in close proximity with unavoidable contact are especially vulnerable to higher risks of COVID-19 infection, children in orphanages higher prevention and control measures are needed. ANITS NSS UNITS proposed prevention and control strategies for facilities and provided practical guidance for general measures, health management, personal protection measures, and prevention measures in Orphanage Home in Tallavalasa. NSS students carried masks and food ingredients done distribution in orphanage home .

## REPORT

### Samudra Samrakshana –Beach cleaning program

With single use plastic being the bane of beaches, a study says plastic constitute around 50 per cent of ocean litter and poses a grave threat to marine biodiversity, human health as well as the economy. Besides plastic, coastal debris also includes other non-biodegradable synthetic materials. These debris eventually find their way into the ocean, but remain suspended in the water as they cannot decompose, only to be pushed to the coast again. The debris ranges from nylon fishing nets, plastic bags, milk containers, glass bottles, plastic bottle caps, straw and stirrer to batteries, e-waste and thermocol. ANITS NSS UNIT had taken initiative Beach cleaning program with use of college buses transportation .
