Event Summary Report

"Awareness Program On Plastic Free World"

The Department of E.C.E, Anil Neerukonda Institute Of Technology And Sciences has initiated an awareness program on "Plastic Free World" at Beach Road, Visakhapatnam on Sunday **12-08-2018**. The campaign is to create an awareness on reducing the usage of plastic bags and to go for the jute bags. It has been a successful event with an active participation from both the students and staff of the department. The campaign was inaugurated by the HOD, Department of E.C.E Dr. V. Rajya Lakshmi garu, faculty and the students of 4/4 E.C.E which was then started with a rally along the beach road, holding the banners and protesting to stop the use of polythene bags This event was concluded by a cleaning campaign in the beach.

Rally at Beach to promote "No Plastic" /
"Plastic Free World".

The participants (includes all students and staff of E.C.E, ANITS) started cleaning the beach and everybody else joined their hands in the campaign. Senior IPS officer V.V. Lakshminarayana, who happened to visit the beach road, was kindly invited to join this beach cleaning campaign. He accepted the invitation with an evident pleasure and joined the campaign along with the students. When asked about the campaign, he said- "It's wonderful to be here at the beach, interacting with the students of ANITS and basically it is a good thing to involve youth in societal activities. As Swami Vivekananda said people who live for others are alive and rest of others are dead. So we should always inculcate a sense of feeling for society. We keep our home clean but not the road clean because we feel that home belongs to us but not the road. When we start doing such type of campaigns with involving youth in it, they get a feeling that everything belongs to us , especially in children."

Cleaning the beach (Plastic collection)

He also added, "the main reason for destruction is developing a sense of non-belongingness. Everybody should develop an aesthetic relation with nature then a sense of belonging will develop in everyone. So the thing what the students of ANITS are doing is very appreciable" and suggested to add as many students as possible. When asked about what he would suggest for the youth, Mr .V.V. Lakshmi Narayana said- "My suggestion for the youth is to get involved; do not think that it is not your concern because the next seven years are very crucial for the country. By 2025 75% percent of the population will be youth. So what you are going to be is what the nation is going to become. The problem of youth is that, everybody wants a government job and it's not possible for the government to create so many jobs. So there should be a development of entrepreneurship and youth should go back to farming and use present day technology to improve the productivity and does not forget to develop belongingness." he added. Finally the campaign ended, as everyone tried to make a difference in the beach and in their lives too. In total 150 people participated in the event

EVENT EXPENDITURE

S.No	Item Purchased	Price(Rs)
1.	Disposal bags	280
2.	Disposal Gloves	120
3.	Water bottles	1280
4.	Flex Banner	120
	Total	1800

Number of participants: 150
