

Student Feedback (2018-19)

The students' satisfactory survey was mainly taken on their educational experience and the facilities provided in the college. 85-90% of the students have given a positive response and felt more than satisfied with the teaching-learning process. The parameters on which the survey was conducted were related to quality of teaching faculty, access to teaching faculty, flexibility in choosing courses etc. The overall perspective of the students varied from excellent to good with regards to their learning process.

The services/facilities provided in the college were also rated by the outgoing students. Close to 80% of the students rated the campus ambience to be good. An equal percentage of students were also very satisfied with the classrooms, labs and library. It is also understood from the survey that cleanliness and hygiene requires a special attention from the management.

Suggestions from the Students and Action Taken:

- 1) **Library Facilities:** The students are on the whole satisfied with the library facilities except for a few suggestions. The most important one being with regards to the location of library in the 5th floor. Wi-Fi facility has to be upgraded to provide uninterrupted internet services.

Action Taken: A lift has been provided which can be used by the students as well as the faculty. Wi-fi facilities are being upgraded in collaboration with Reliance JIO.

- 2) **Hostel Facilities:** Most of the hostellers felt that the maintenance of hostel rooms, cleanliness and hygiene is very good. But the food menu is not up to the mark and also quality of food should be improved.

Action Taken: There is a fixed food menu for an academic year. The menu varies from day to day in a week. The quality of the food being served is monitored by the central canteen management.

- 3) **Cleanliness of Washrooms:** A general perception of students is that the washrooms across all the departments need regular maintenance.

Action Taken: The number of sanitation workers is increased on par with the increase intake of the students. The maintenance of the washrooms is regularly supervise by the department HoDs.
