ANIL NEERUKONDA EDUCATIONAL SOCIETY

Visakhapatnam

CONTENTS

1. ABOUT THE SOCIETY

ANIL NEERUKONDA EDUCATIONAL SOCIETY (ANES) was founded by Dr. N.B.R. Prasad, an NRI Philanthropist from the USA and Sri V.Thapovardhan an industrialist and eminent educationist in memory of Late Anil Neerukonda, S/o. Dr. N.B.R.Prasd in the year 2000. Working with missionary zeal, relentless commitment and strong financial backing, Dr. Prasad, along with his friends, planned and completed a $6 million Venkateswara Temple in Greater Chicago, and this modern temple of higher education "Anil Neerukonda Institute of Technology & Sciences".

ANES was registered at Visakhapatnam on 7th of August, 2000 with the following Aims & Objectives.

❖ To organize, establish and manage both Technical and Non-Technical Colleges and Charitable Institutions without any motive of profit.

❖ To train pupils to be responsible and productive citizens by nurturing their potentiality to play a useful and effective role in the society.

❖ To promote international understanding in educational & cultural spheres for promoting co-operation among People and Nations.

Dr. Prasad as Chairman, Sri. V. Thapovardhan as Secretary and a number of eminent persons with social commitment as its members, ANES sponsors ANIL NEERUKONDA INSTITUTE OF TECHNOLOGY AND SCIENCES (ANITS) in Greater Visakhapatnam Municipality, with the avowed objective of developing it as a **"Centre for Excellence".**

2. THE INSTITUTE

ANIL NEERUKONDA INSTITUTE OF TECHNOLOGY AND SCIENCES (ANITS) was established in the Academic Year 2001-02 with the approval of the ALL INDIA COUNCIL FOR TECHNICAL EDUCATION (AICTE), New Delhi and the Government of Andhra Pradesh and is permanently affiliated to ANDHRA UNIVERSITY (AU), Visakhapatnam. The Institute has been accredited by NBA for all the eligible courses.

The identified goals of ANITS are

❖ To attain National Standards within the first five years (achieved the goal and ANITS stands first among all the colleges started in 2001 and afterwards).

❖ To strive for International recognition in the shortest possible period.

ANITS is located in Sangivalasa, Greater Visakhapatnam Municipal Corporation (GVMC) and is approximately 300 meters away from the Chennai - Kolkatta National Highway (NH-16). The Institute is within 30 minutes drive from RTC Complex, Visakhapatnam city centre and Express Service Buses ply from this centre at every 15 minutes interval.

5. ANIL NEERUKONDA INSTITUTE OF TECHNOLOGY & SCIENCES

OUR VISION...

ANITS envisages to emerging as a world-class technical institution whose products represent a good blend of technological excellence and the best of human values.

OUR MISSION...

To train young men and women into competent and confident engineers with excellent communicational skills, to face the challenges of future technology changes, and also to impart holistic technical education using the best of infrastructure, outstanding technical and teaching expertise and an exemplary work culture, besides moulding them into good citizens.

OUR QUALITY POLICY...

ANITS is engaged in imparting quality technical education. It constantly strives towards achieving high standards of teaching, training and development of human resources by encouraging its faculty and staff to work as a team and to update their knowledge and skills continually to match the needs of industry.

7. ABOUT THE FACULTY

The academic programmes and all academic activities of the Institute are supported by a strong contingent of about 222 faculty members comprising Professors, Associate Professors and Assistant Professors who are well qualified and most of them have more than 30 yrs of experience. ANITS has adopted scientific methods of recruitment, appraisal & training of its faculty to ensure the strengthening of this key segment of the institute.

8. ADMINISTRATION

The administration of the college is ably looked after by the Secretary & Correspondent, The Director and the Principal, all of whom are experienced administrators and renowned academicians. They are well supported by the Heads of the various departments, the Training & Placement Officer and the Administrative Officer.

9. INFRASTRUCTURE FACILITIES

9.1 Instructional Areas

The college has a built-up area of over **3,57,667 sq.ft** of RCC Buildings. Apart from regular class rooms, labs, auditoriums, waiting halls and other amenities, a large extent of area is also earmarked for sports activities like Cricket, Volleyball, Gym and Indoor Games.

9.2   Central Library

The Central Library, ANITS is one amongst major technological libraries in the area of engineering and technology. The Library was established in 2001. Located in the western wing of the block, the central library has a floor area of more than 7000sq. ft. The Library is well equipped with modem facilities and resources (print and electronic) in the forms of Books -33271, Titles - 7870, Journals - 99, Project Reports- 389, Bound Volumes – 600, CDROMs, DVD-ROM - 2340, Previous question papers, sc&st Book Bank and Eight Online Databases etc. It is proposed to spend 36.68 Lakhs on the library in the academic year 2015-2016. Our library operations have been computerized using LIBSYS software package. In addition to the central library, every department has its own departmental library. It has also developed a full-fledged Digital Library equipped with necessary modem equipment in order to provide various digital mode Library services. Digital Library section of the Central Library has developed an institutional digital repository using open source software D Space, which preserve the institute's intellectual output for campus wide access and digital preservation for the posterity. The central library is opened from 8.00 A.M. to 7.00 P.M on all working days. Reprography facilities are available in the central library for the benefit of the students. The digital Library section has 30 exclusive systems with internet connectivity, the students can browse the internet and can also download useful information, during their free time.

9.3 Laboratories

All the Laboratories of the various departments are well furnished with state of-the-art equipment and excellent facilities that satisfy and even exceed the curriculum needs and the AICTE norms.

498 systems were installed with highest configuration of core i5 processors to enhance the computing facility in the CSE & IT Departments. There is a separate Central Computer Centre for Research & Project works and for various training programs. In addition, the CSE and IT departments have 12 laboratories with Latest i-5 conifigration systems conntected to Hightend server duly supported by licensed system software and application software adequate to cater to the needs of the students and are connected by LAN/Wi-Fi.

The institute has an **English Language Laboratory** with special software packages which provide a self-paced interactive learning environment to our students for improving their communication skills. The Centre for Soft Skills Training provides a specially designed 100 hour training programme to all the final year students, equipping them with all the necessary skills for Campus Recruitment. **Even though it is not a part of the curriculum prescribed by the university, every student spends about 40 hours in this laboratory during the first year of his / her study here**. Quite a good number of our pre-final year and final-year students also use the facilities in this laboratory to prepare themselves for TOEFL & GRE, in addition to additional training, imparted to them at final year level.

9.4 Computers, LAN & Internet

ANITS has excellent computational and support facilities in the form of a campus-wide Local Area Network and departmental computer centres with a number of licensed and specialized software packages to meet their specific requirements.

The Institute has a 100 Mbps 1:1 Leased Line and 40 Mbps NMEICT (National Mission on Education Through Information and Communication Technology), MHRD, Connectivity provided by Bharat Sanchar Nigam Limited (BSNL).

LAN: Entire campus is connected with optical fiber and CAT-6 cable and Wi-Fi connected.

With total student strength of 3280 and total of 1074 systems, the computers-to-student ratio works out to be better than 1:3 for the college.

ANITS has its own Website **(www.anits.edu.in)**

9.5 Student amenities

i)   **Cafeteria:** The institute has a highly hygienically maintained canteen which supplies nutritious and delicious snacks, lunch etc. at subsidized prices. The canteen has an area of 6400 sq.ft. It is kept open from 8.00 A.M. to 5.30 P.M. on all working days.

ii) Water supply: There are 5 bore wells in ANITS campus with adequate yield to fully meet the water requirement for drinking, laboratory use and other purposes. An RO Plant (Mineral Water Plant) with a capacity of 1000 Liter per hour for drinking has also been established.

iii) Auditorium & Seminar Hall: The Auditorium is fully furnished and centrally air-conditioned with a seating capacity of 400 people with excellent projection facilities and audio system. Seminar Halls in all core Departments with good seating are available.

iv) STD / ISD Booth: An STD / ISD booth has been provided within the campus for use by the staff & students. There are altogether 3 lines, one for a wall-mounted coin box phone and two for the table top instruments.

v) Stationery Shop: A stationery shop exists in the campus for the benefit of the students. All stationery items like papers, pencils, pens, record note books, ordinary notebooks and calculators, are available at reasonable prices. Photo copying (Xeroxing) facility is also available in the shop.

vi) Medical Facilities: Anil Neerukonda Educational Society has been running a 350-bed hospital attached to Anil Neerukonda Institute of Medical Sciences with specialists heading all the main departments which caters to close 40 villages in and around Bheemunipatnam Mandal. And it has excellent diagnostic and infrastructural facilities with an ambulance in the area adjoining ANITS campus. This has been operational for the last 10 years and ANITS students and staff can avail themselves this facility.

vii) Girls' Lounges: A total of twelve waiting halls with chairs, drinking water, rest room facilities have been provided for usage by Girls, across the campus covering all blocks.

viii) Boys' Lounges: Eight waiting halls are available for boys in various Departments.

ix) Conference Hall: A fully equipped, furnished and air-conditioned conference hall about 600 sq. ft is available adjacent to Principal's room for conducting meetings of the Heads of Departments and various committees.

x) Standby Generator: Electrical power is supplied to ANITS through a 11 KV 3-phase feeder from A.P. Transco. The supply is received in 11 KV/415V sub-station located inside the campus.

ANITS has presently a standby 20KVA, 125 KVA and 250 KVA diesel generators to support power segment in case the A.P. Transco supply fails. This is more than 100% backup.

xi) Communication: At present, ANITS has **8** telephone lines, and an expandable EPABX that connects all departments and a FAX.

xii) Transport: Considering the need to provide comfortable and safe transport to the students & staff, ANITS is running a fleet of 15 buses at present. These buses originate at different points like MVP colony, Sitammadhara, Dwarakanagar, Gajuwaka, Gopalapatnam, Kurmannapalem, Visakha Steel Plant quarters, Simhachalam, Chinamushiriwada etc. in the city and terminate at the campus. There are a large number of express city and route buses which touch Sangivalasa bus stop on the National Highway, which is just 300 meters away from the institute.

xiii) Post Office & Bank: At present, Post office and Bank do not exist within the Institute campus. However, the Tagarapuvalasa post office is just a 5 minute walk, and the Chittivalasa branch of the State Bank of India is only about 1/2 km. from the Institute and a mail courier agent is also stationed at the

same place. **The ATM facility of the SBI is available adjacent to ANITS in ANIIMS Medical college**.

xiv) **Hostels:** ANITS has two hostels, one for boys with a capacity of 500 and the other for girls with a capacity of 300 with excellent facilities as detailed below

   (i)   A resident warden and matron for each hostel.

   (ii)   Round-the-clock security.

   (iii)   Hygienically cooked and served food - Vegetarian and Non-Vegetarian.

   (iv)   Common room facility with T.V and popular magazines.

   (v)   Air Conditioner Facility is also available.

   (vi)   Medical attendance & first aid.

   (vii)   Sports & Games facilities: Facilities exist for indoor games like Caroms, Table-Tennis & Chess and outdoor games like Volley ball, Kabaddi, Tennicoit etc.

   (viii) Gymnasium.

10. ACADEMIC SUPPORT FACILITIES

To strengthen the teaching-learning process and to enhance the teacher student relationship through informal interaction, several innovative practices have been introduced at ANITS.

10.1 Proctorial System

Proctorial system is designed with a view to enhance the student- teacher relationship and encourage and help the students in their academic and personal problems. It makes the learning process a pleasant experience for them and thereby strengthens the teaching-learning process. In this system, faculty members are designated as Proctors and about 15 students are assigned to each proctor. The proctor acts as the campus guardian, mentor and guide to all those students assigned to him/her and keeps a record of their academic performance, attendance, academic & personal problems, if

13

any, by maintaining informal interaction with them and as well as with their parents. It is hoped that this would create a student friendly and student-centric environment in the institute, which will be conductive to the healthy growth and the intellectual development of the students.

Student Counsellor: A qualified psychology counselor is appointed on full time basis to guide, counsel and motivate the students.

10.2 Class Review Committees

During every semester, a class Review committee (CRC) is constituted for each class. All the faculty members handling theory /practical classes for that class and 4 students of that class (2 boys and 2 girls), nominated by the H.O.D concerned (or the First year co-ordinator, in the case of First year classes) will be members of the CRC for that class. It will be headed by the H.O.D concerned (or the first year co-ordinator). It will meet 2 times in a semester. In its meetings, the CRC members review the progress and the coverage of syllabus in each theory subject and the number of experiments conducted by the students in each practical subject. Extra classes are arranged for those subjects in which the syllabus coverage is inadequate. This helps in the full coverage of the prescribed syllabus in every subject that too at a uniform pace. It also helps the H.O.D to acquaint himself with the difficulties, if any, being experienced by the students in their theory & practical classes.

10.3 Centralized Student Feedback

The institute has a scientifically designed and fully computerized system of collecting student feedback and analyzing it in order to evaluate the performance of every faculty member. It helps the administration in identifying the strengths and weaknesses of every teacher. The teachers are given appropriate advice /training, based on this feedback.

10.4 Faculty Development

ANITS encourages its faculty members to attend/conduct seminars, workshops and conferences in order to enable them to continually update and enhance their knowledge and skills. ANITS also extends support to its faculty members to improve their qualification/knowledge in several ways that includes sponsoring them under the Quality Improvement Program of the AICTE. A well-designed Faculty Development Program is being conducted every year at ANITS, to refresh and strengthen their teaching Methodology.

10.5 Interactive communication skills Laboratory – Beyond syllabus

A computer-based interactive communication skills laboratory has been established with an initial investment of Rs. 5.00 lakhs to train students in phonetics and communications skills. This facility is being extensively used by the first year students for whom it is made compulsory, although it is not a part of the regular curriculum. It is also being used by those 3rd and final year students who appear for TOEFL/GRE.

15

10.6 Remedial Classes

Remedial classes are arranged in certain identified subjects for academically weak students whose performance in the mid-term examinations is poor. These classes are conducted outside /within the institute working hours by senior faculty members and are absolutely free of cost to the students.

10.7 Value-Addition courses

To bridge the gap between the requirements of the industry on the one hand and the topics prescribed by the University in the curriculum on the other, ANITS arranges, 'value-addition' courses at the college, for the benefit of its students, which are outsourced to experts in the fields concerned.

10.8 Internal Assessment

(i) In each subject a total of two mid-term examinations per semester for all the students.

(ii) The average of the marks secured in the mid-term examinations conducted during a semester as well as the marks awarded for the various assignments given during that semester will be considered for awarding the internal assessment marks in each subject.

(iii) **Tuition fee waiver:** - Fee waiver is provided for meritorious students with EAMCET ranks below 2000.

10.9 Scholarships

(i) **Merit-Cum-Means Scholarships and Tuition Waivers:**

Merit-Cum-Means scholarships, upto a maximum of US$2000 per awardee, are awarded to students of ANITS by the ANIL NEERUKONDA CHARITABLE FOUNDATION (ANCF). Tuition Fee waivers / grant-in-aids for meritorious students are awarded.

(ii) **Merit Awards:**

To create a healthy competition among the students for academic excellence, the management of ANITS has instituted merit awards. A student standing first in his section in the University examinations, is awarded Rs 2,000/-, while the student standing second is awarded Rs 1,000/-.

Half of the award is given in cash form while the rest is given in the form of books chosen by the student.

10.10 Gold Medals for Academic Excellence

The Management, has instituted Gold medals (10 grams) to be awarded every year to the topper of each branch by the end of the under graduate course.

a. Gold medal for Topper in ECE

b. Gold medal for Topper in EEE

c. Gold medal for Topper in CSE

d. Gold medal for Topper in IT

e. Gold medal for Topper in MECH

f. Gold medal for Topper in CIVIL

g. Gold medal for Topper in CHEMICAL

11. EXTRA-CURRICULAR & CO-CURRICULAR ACTIVITIES

Facilities exist for a few indoor and outdoor games. The institute organizes several extra-curricular activities in addition to sports & games, with a view to enhance the personality of the students. Such activities relieve the students from the stress arising out of rigorous academic schedule and help to bring out the dormant talents inherent in them. 'College Day' is the time for fun-filled competitions; an event that marks the annual sports, literary and cultural fete. ANITS brings out an annual magazine-'ECHOES' and quarterly news letters. There are several clubs for encouraging and nurturing the artistic and oratory talents of the students. In addition, there are number of professional bodies in the college to organize conferences, seminars, guest lectures, workshops and other co-curricular activities. They include ACES in the department of ECE, AEEEA in the department of EEE, AMEA in the department of Mechanical, HILIOS in the department of IT, CIIA in the department of CSE, BLAZE in the department of Chemical and Biotech.

12. INDUSTRY-INSTITUTE INTERACTION

ANITS strongly believes that the quality of technical education will be greatly enhanced if strong industry-institute interaction exists. Hence, we, at ANITS take steps to forge strong links with the nearby industries. As a result we have M.O.Us with a number of industries like TCS, IBM, Infosys, CSC (Computer Society Corporation), Unisys, L&T, HCL Info Systems Limited, M/s. Semantic Space Technologies Limited, M/s. UTL Technologies Limited, M/s. Aurobindo Pharma Limited, M/s. Andhra Electronics Limited, M/s. MSME, Govt. of INDIA, Metallic Bellows (I) Pvt. Ltd., Chennai, M/s. Etikoppaka Coopérative & Agricultures Society etc. We are actively participating in the Campus Connect program of Infosys and signed an M.O.U. with them for that purpose.

The college is partnered with Mission R&D (Hyderabad), founded by R&D leaders with a vision to encourage Intelligent, Hardworking, Motivated students to realize their full potential and prepare them for a great career in R&D.

The college is collaborated with Unisys Global Solutions India (Bangalore) for internship program at pre-final year engineering/M.C.A students in the year 2013.

The college is also accredited by TCS & a good number of our students do industry projects.

The college conducts regular Faculty Development Programs by renowned experts in Technical Education (NITTTR-FDP, Wipro Mission 10X, Infosys Campus Connect, TCS Campus Commune, IBM-TGMC etc).A number of guest lectures are given every year by eminent industry professionals for the benefit of our students and faculty.

13. TRAINING, PLACEMENTS & COUNSELLING:

The Training & Placement Department is headed by an experienced 'Dean (T &P)'; assisted by a team comprising quant and verbal trainers who provide career and personal guidance to the students. The department arranges 'Pre-Placement training 'to the students to ensure that they are well prepared to face the challenges during the recruitment process.

The department spares no efforts in arranging 'on campus ' drives by high-end companies like Deloitte, FMC Technologies, Kony Labs, MuSigma, CapitalIQ, Hyundai R&D to mention a few. Summer training classes are organized for the students in order to provide a fillip to the abilities and skill sets of the students.

The students are facilitated to participate in several prestigious coding contests so that their technical abilities come to the fore. Mission R&D is an important program that grooms deserving students to explore their innate talent in the research field. These R & D activities promote analytical and technical expertise among the students. Successful students are then absorbed into companies which work on R & D. The students are benefitted as they are employed with a very good package and have made a good professional beginning.

ANITS has an excellent placement record of about 85% in the last seven years in reputed MNCs like:

Infosys, Capgemini India, TCS, Kony Labs, Deloitte, HSBC Software, FMC Technologies, IBM, RapiBiz Apps, Turaco Mobiles, Teradata India, Virtusa, Mphasis, Accenture, NTT Data, ADP India, Computer Sciences Corporation, Wipro, HP, Tech Mahindra, Capital IQ, Hyundai Motors, BGR Energy, Persistent, Syntel, Sonata, Medha Servo Drives, L &T (ECC), Astra Micro Waves, Sasken, CMC, Verizon, Schwing stettar, Cordys, Vijaya Electrical, Satven, Vik-Sandvik, Cummins India, Anglo-Eastern and so on.

The students are assisted in placements even after they leave college. This helps those students who could not get placed while on campus due to active backlogs while pursuing their engineering course.

The dept also conducts regular workshops on "Various Careers Options after Engineering" by experts from Time, Conduira, British Council and so on.

An experienced teacher is given charge as 'Counsellor' to deal with any personal (psychological) issues of students. She regularly interacts with students, attends to their problems,

counsels them and brings the information to the notice of management if it is critical.

Thus, the Training and Placement Department has been exemplary in executing its services to the student community.

14. SOME ACHIEVEMENTS IN SHORT PERIOD

• ANITS is recognized as "Research Centre" by Andhra University.

• ANITS is ranked "AAA" with 5th position among all the private engineering colleges of A.P by Career 360 brought out by Outlook Magazine.

(http://www.engineering.careers360.com/top-engineering-colleges-andhra-pradesh-2013).

• ANITS stands 5th among the top promising engineering college of excellence in the country by CSR-GHRDC Survey 2013 - Competition Success Review July 2013 edition. (http://ghrdc.org/website/EnggSurvey2013/By%20State.pdf)

• ANITS is among the Top ten most prefered private engineering colleges in the entire state of AP in the admissions of 2013 (as per APSCHE, the body which conducts engineering admissions in the state).

• Accredited by Tata Consultancy Services (TCS-Hyderabad), Capgemini India (Hyderabad) and Silver Partner of Keane India (now NTTDATA) for their Campus Recruitments of fresh engineering talent.

• Highest pass percentage among all the engineering colleges that are affiliated to Andhra University for the last six consecutive years in all the departments of engineering.

• Awarded **"Centre of Excellence"** by Infosys Technologies Ltd in the year 2010-11.

• ANITS students stood as National Champions in ASPIRATIONS-2020, a programming contest conducted by Infosys Technologies during year 2012-13. Out of 32,000 students of 512 engineering colleges across the nation competed including IITs and NITs, ANITS students emerged Winners at both State and National Level.

20

- 2nd Position at TCS national level in Code Vita 2013 competing with students from IITs and NITs.

- Best CSI Student Chapter for 3 years (2009-10, 2011-12 & 2012-13) in entire Andhra Pradesh & Karnataka .

- More than 129 Publications by Faculty members in International Journals during the last year (Publications can be seen in dept wise http://www.anits.edu.in/staffpubcse.php.)

15. ALUMNI ASSOCIATION

ANITS Alumni Association (AAA) was formed in October, 2006 with the following objectives:

(a) To provide a forum for interaction among the alumni and also between the alumni and the present students.

(b) To enable the alumni to take an active part in the activities and in the development of ANITS.

It was registered with the Registrar of Societies in December, 2006. Annual Alumni meeting is conducted in the 1st week of December every year and the Dean, Training and Placement, Mr. G.V.R. Murthy looks after the activities.

16. RULES OF CONDUCT

(i) ANITS is known for its discipline. Every student must abide by the rules and regulations of the Institute framed from time to time in connection with punctuality, attendance etc. Failure to comply with the rules and regulations will attract severe punishment including expulsion from the institute.

(ii) No students unions, except professional associations, are permitted in the institute.

(iii) Students are strictly prohibited from carrying out strikes, staging dharna and other similar forms of protests. Students found indulging in such activities will be summarily expelled from the institute.

(iv) Ragging, in any form, is strictly prohibited. Ragging is any disorderly conduct i.e. whether by words spoken or written, or by an act which has the effect of teasing, treating or handling any student with rudeness, indulging in rowdy or in

disciplined activities which cause or likely to cause annoyance, hardship or psychological harm or to raise fear or apprehension thereof in a fresher or a junior student and which has the effect of causing or generating a sense of shame or embarrassment so as to adversely affect the psyche of a fresher or a junior student. Those found indulging in ragging are liable for punishment(s) noted hereunder as per the graveness of the offence under the "Prohibition of Ragging Act of Andhra Pradesh"

1. Cancellation of admission
2. Suspension from attending classes
3. Withholding / withdrawing scholarship / fellowship and other benefits
4. Debarring from appearing any test / examination or other evaluation process
