12. ACADEMIC SUPPORT FACILITIES

To strengthen the teaching-learning process and to enhance the teacher student relationship through informal interaction, several innovative practices have been introduced at ANITS.

12.1 Proctorial System

In this system, faculty members are designated as Proctors and about 15 students are assigned to each proctor. The proctor acts as the campus guardian, mentor and guide to all those students assigned to him/her and keeps a record of their academic performance, attendance, academic & personal problems, if any, by maintaining informal interaction with them as well as with their parents. It is hoped that this would create a student friendly and student-centric environment in the institute, which will be conducive to the healthy growth and the intellectual development of the students.

12.2 Class Review Committees

A class Review committee (CRC) comprising all the faculty members handling theory /practical classes for that class and 4 students (2 boys and 2 girls), nominated by the H.O.D concerned (or the First year co-ordinator, in the case of First

year classes) meets 2 times in a semester review the progress and the coverage of syllabus. Appropriate actions will be taken based on the suggestions to improve the academic activities.

12.3 Centralized Student Feedback

The institute has a scientifically designed and fully computerized system of collecting student feedback and analyzing it in order to evaluate the performance of every faculty member. It helps the administration in identifying the strengths and weaknesses of every teacher. The teachers are given appropriate advice /training, based on this feedback.

12.4 Faculty Quality Improvement Program

ANITS encourages its faculty members to attend/conduct seminars, workshops and conferences in order to continually update and enhance their knowledge and skills. ANITS also extends support to its faculty members to improve their qualification/knowledge by sponsoring them under the Quality Improvement Program of the AICTE. A well-designed Faculty Development Program is conducted every year at ANITS, to refresh and strengthen their teaching Methodology.

12.5 Remedial Classes

Remedial classes are arranged in certain identified subjects for academically weak students whose performance in the mid-term examinations is poor. These classes are conducted outside /within the institute working hours by senior faculty members and are absolutely free of cost to the students.

12.6 Value-Addition courses

To bridge the gap between the requirements of the industry on the one hand and the topics prescribed by the University in the curriculum on the other, ANITS arranges, 'value-addition' courses at the college, for the benefit of its students, which are outsourced to experts in the fields concerned.

12.7 Internal Assessment

(i) Two mid-term examinations per semester in each subject.

(ii) The average of the marks secured in the mid-term examinations conducted during a semester as well as the marks awarded for the various assignments given during that semester will be considered for awarding the internal assessment marks in each subject.

12.8 Scholarships

(i) Merit-Cum-Means Scholarships: Merit-Cum-Means scholarships, upto a maximum of US$2000 per awardee, are constituted to award to the students of ANITS by the ANIL NEERUKONDA CHARITABLE FOUNDATION (ANCF).

(ii) Merit Awards: To create a healthy competition among the students for academic excellence, the management of ANITS has instituted merit awards. A student standing first in his section in corrent academic year is awarded Rs 2,000/-, while the student standing second is awarded Rs 1,000/-.

(iii) Tuition fee waiver: Fee waiver is provided for meritorious students with EAMCET ranks below 2000.

12.9 Gold Medals for Academic Excellence

The Management, has instituted Gold medals (10 grams) to be awarded every year to the topper of each branch by the end of the under graduate course.

13. EXTRA-CURRICULAR & CO-CURRICULAR ACTIVITIES

'College Day' is the time for fun-filled competitions; an event that marks the annual sports, literary and cultural fete. ANITS brings out an annual magazine-'ECHOES' and quarterly news letters. There are number of professional bodies in the college to organize conferences, seminars, guest lectures, workshops and other co-curricular activities. They include ACES in the department of ECE, AEEEA in the department of EEE, AMEA in the department of Mechanical, HILIOS in the department of IT, CIIA in the department of CSE, CHEMFLARE in the department of Chemical and Biotech.

Various students clubs such as La-Literatti, Robotics, IOT Club, Photo Club, Cyborg Club, ISHRAE Club, SAE Club, Surjanaa and Yoga Club are active in the college to bring out the best talents of students.

The ANITS NSS unit conducts activities on a regular basis such as blood donation, orphanaty visits, plantation, swachh ANITS and donations to various needy groups.

14. INDUSTRY-INSTITUTE INTERACTION

ANITS strongly believes that the quality of technical education will be greatly enhanced if strong industry-institute interaction exists. Hence, we, at ANITS take steps to forge strong links with industries. As a result we have M.O.Us with TCS, IBM, Infosys, CSC (Computer Society Corporation), Unisys, L&T, HCL Info Systems Limited, M/s. Semantic Space Technologies Limited, M/s. UTL Technologies Limited, M/s. Aurobindo Pharma Limited, M/s. Andhra Electronics Limited, M/s. MSME, Govt. of INDIA, Metallic Bellows (I) Pvt. Ltd., Chennai, M/s. Etikoppaka Coopérative & Agricultures Society etc. We actively participate in the Campus Connect program of Infosys and signed an M.O.U. with them for that purpose.

The college is partnered with Mission R&D (Hyderabad), founded by R&D leaders with a vision to encourage Intelligent, hardworking, Motivated students to realize their full potential and prepare them for a great career in R&D.

The college collaborated with Unisys Global Solutions India (Bangalore) internship program for pre-final year engineering students in the year 2013.

ANITS is accredited by TCS & a good number of our students do industry projects.

Wipro Mission 10X, TCS Campus Commune, IBM-TGMC and a number of guest lectures by eminent industry professionals for the benefit of our students and faculty keeps ANITS close to Industry.

15. TRAINING, PLACEMENTS & COUNSELLING

The Training & Placement Department is headed by an experienced person assisted by a team comprising quant and verbal trainers who provide career and personal guidance to the students. The department arranges 'Pre-Placement training' to face the challenges during the recruitment process.

The department spares no efforts in arranging 'on campus ' drives by high-end companies like Deloitte, FMC Technologies, Kony Labs, MuSigma, CapitalIQ, Hyundai R&D to mention a few. Summer training classes are organized for the students in order to provide a fillip to the abilities and skill sets of the students.

The students are facilitated to participate in several prestigious coding contests so that their technical abilities come to the fore. Mission R&D is an important program that grooms deserving students to explore their innate talent in the research field. These R & D activities promote analytical and technical expertise among the students. Successful students are then absorbed into companies which work on R & D.
