GUEST LECTURE

Topic: How not to be rejected by companies, Interview Preparations

Date: 6th March 2020

Classes Attended & Number of beneficiaries: 200 members

Objective: Major focus was given on ways to help the students know about entrepreneurship opportunities in the market and help them to start up their business.

Name and details of the resource person:Dr.Duvvada Ram Prasad, General Manager (Projects),RINL,Vizag Steel Plant.

He has started his speech by extending his gratitude to the Principal, Head of the Department,cseFaculty, coordinators and Students.

He explained and motivated the students how to not get rejected in interviews from his seven golden policies. The policies are:-

1. **Always leave Room for Plan B:** Don't pin your hopes on one specific job in the belief that it's a perfect fit. If you don't get that job, depression will follow. It's also smart to pursue multiple opportunities even when you don't want to.
2. **Avoid getting your Needs Met through Interviews:** Never consider an interview the best way to satisfy your professional validations. If you do, you're bound to experience disastrous results, since employers want to know how you can help them, not how they can help you.
3. **Ask for Feedback:** While most employers refrain from sharing solid feedback if you don't get the job, there's no harm in asking for a constructive feedback.
