DEPT OF COMPUTER SCIENCE & ENGINEERING

Date: 26-02-2021

CIRCULAR

This is to inform all the ¼ B.Tech I Semester students that, a seminar has been arranged on **Awareness of trends in technology on "Emerging Technologies - Coding Paradigms"**. Hence all the interested students are suggested to attend the session and know the trends in the emerging technologies.

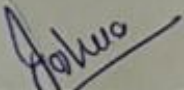

Resource Person:

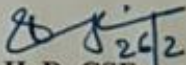

1. S. Goutham Kumar (317126510115)

Venue: MPI Lab

Date:27-02-2021

Timings: 2:30 PM to 03:20 PM

Coordinator - CSI

HoD, CSE

REPORT ON
Awareness of trends in technology
on
"Emerging Technologies - Coding Paradigms"

DATE: - 27th Feb 2021

Number of participants: - 50

Objective:-

Awareness of trends in technology on "Emerging Technologies - Coding Paradigms"

Speaker: - S Goutham Kumar (317126510115)

Mr. Goutham Kumar is the Vice president of Computer Society of India(CSI) , Student Branch Anits. He started his seminar by extending his gratitude to all the students who attended the seminar. He has a lot of knowledge on all the current emerging technologies that were trending.

According to him the top 6 Emerging Technologies are:-

1. Artificial Intelligence
2. Machine Learning and Data Science
3. Internet of Things
4. Block Chain Technology
5. Virtual Reality
6. Cyber Security

Mr.Goutham explained all the above technologies and gave a pre-requisite knowledge of how to learn the technologies and master them !!

He provided a road map to the students for becoming a good competitive programmer by suggesting platforms for practicing like HackerRank for basic learning, HackerEarth for learning DSA, leetcode for dynamic programming.He also showed how the platform works and how they can compete with others.

Many students were raising queries on cyber security and ethical hacking. So he started his session with cyber security and cleared all the doubts of the students . He explained the roles present in cyber security, different types of hats, etc. He provided some resources for future reference.

According to him, to start a career in cyber security, students must be strong in subjects like Data Communications, Computer Networks, Operating Systems, Cryptography and Network Security. Again, the students raised a doubt that how we should be certified and how to start learning from the scratch.

He presented a platform for learning cyber security courses.

Website link: <https://www.eccouncil.org/>

He explained the basic certification courses required for students who are interested in the field of cyber security like CEH, CCNA, CCNP, OSCP for advanced level. He also introduced some basic terms of networking and gave an overview on the subject. He discussed about the ongoing projects in google.

Students approached Mr.Gowtham Kumar personally and asked many doubts regarding placements and how to start learning and he gave suggestions.

Here he was explaining about the web development queries asked by students.

Title: Awareness of trends in technology on "Emerging Technologies - Coding Paradigms"
Date: 27-02-2021

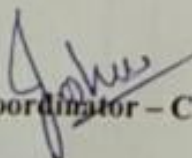

He is discussing about Machine learning and data science in real world scenario.

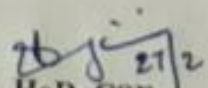

Title: Awareness of trends in technology on "Emerging Technologies - Coding Paradigms"
Date: 27-02-2021

The students were listening to him with enthusiasm.

He finally concluded the session by clarifying the doubts of all the students.
